

RPLTC MEMBERSHIP CATEGORIES 2021-22

Full Playing membership. Members in this category can play in Club sessions normally held on Saturday and Sunday afternoons and on Tuesday and Thursday evenings. You need to be able to play at a certain standard to attend Club sessions. This standard is to hit a forehand and backhand shot with some accuracy, to volley forehand and backhand, and to execute a first serve with some pace and a second serve with some accuracy. Our process is to invite you to a Club session where a couple of our members will assess your performance by either playing a set with you or observing you play. If you are interested in becoming a Full Playing member and attending Club sessions then please contact the Membership Secretary (see below) who will arrange for you to be invited to come to a Club session and have a hit with some of our members.

There are reductions in subscriptions for **Full Playing members under 25/under 21** (age on 1 May 2021), and for **Students under 25** (on 1 May 2021), who can also play as Full Playing members. See the subscription rates on the Membership page for more information.

Try Tennis members can also book courts and play at other times except when courts are reserved e.g. for Club Sessions, coaching and juniors (see Court Schedule) during their membership.
